(application filed on or after May 29, 2000)

The patent term adjustment to date is 0 days. If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the term adjustment will be 0 days.

If a continued prosecution application (CPA) was filed in the above-identified application, the filing date that determines patent term adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) system. (<http://pair.uspto.gov>)

DATE MAILED: 02/14/2003

**Notice of Fee Increase on January 1, 2003**

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

1. The Amendment filed on December 9, 2002 has been entered.
2. Claims 1-13 and 16-20 are allowed.
3. The following is an examiner's statement of reasons for allowance: the best prior art Hanada (US Patent No. 4,411,331) teaches in Figs. 3-5, *inter alia*, a snap-on steering column shroud assembly comprising an upper shroud 2a of molded one-piece construction including a first upper parting edge, a second upper parting edge, an upper shroud upper end steering shaft passage portion 71, and a plurality of upper shroud steering column assembly engaging cantilever snap fasteners 71 and 81; and a lower shroud 1a of molded one-piece construction including a first lower parting edge, a second lower parting edge, a lower shroud upper end steering shaft passage portion, and a plurality of lower shroud steering column assembly engaging cantilever snap fasteners 21 and 61. However, Hanada does not teach or suggest a plurality of first parting edge snap receivers and a plurality of first parting edge snap connectors adjacent to the first upper parting edge and the first lower parting edge, that cooperate with each other to hold the first upper parting edge and the first lower parting edge in alignment with each other; and a plurality of second parting edge snap receivers and a plurality of second parting edge snap connectors adjacent to the second upper parting edge and the second lower parting edge that cooperate with each other and hold the second upper parting edge and the second lower parting edge in alignment with each other as claimed in claims 16 and 20. See, e.g., the snap receivers 102 or 106 and snap connectors 92 or 96 in applicant's Figs. 2 and 4 and applicant's remarks on pages 12 and 13 of Paper No. 3.

Art Unit: 3682

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. The proposed drawing correction filed on December 9, 2002 has been approved. A proper drawing correction or corrected drawings are required in reply to the Office action to avoid abandonment of the application. The correction to the drawings will not be held in abeyance.
